

AIRS User List

As of July 2013

The Arizona Interagency Radio System (AIRS) is a suite of full-time, cross-banded mutual aid channels on designated interoperability frequencies in the VHF, UHF and 800 MHz bands. Agencies wishing to operate on AIRS must sign a [Memorandum of Understanding \(MOU\)](#) with the Department of Public Safety (DPS) which holds the licenses for AIRS frequencies. For additional information on AIRS please visit <http://azpsic.gov/library/airs>
